RE: MB Docket 10-56

Dear Chairman Genachowski:

My name is Gia Tutalo-Mote. I am the founder and CEO of Forever Family, a truly unique non-profit organization that utilizes the power of the media to find adoptive homes for foster children and help for teens aging-out of foster care without a family. I am pleased to have the opportunity to extend my support for the merger between NBC and Comcast. On a local level, WTVJ-NBC 6 has been an invaluable partner in raising awareness of not only the critical crisis facing foster children in America, but also providing the opportunity for viewers to get involved and help make a difference in their lives.

NBC 6 supported our efforts from the very beginning when Forever Family was just a thought. They provided the dedication and resources necessary to turn a grassroots effort into a successful, internationally recognized program. Since the launch of Forever Family on NBC 6 in May of 2002, the program has grown to include television stations throughout Florida and is expanding nationwide.

Thousands of children's lives have been positively changed because of the generosity and insight of the management and staff at NBC 6. The millions of dollars worth of airtime donated to Forever Family over the years has been an invaluable contribution to the community. Without NBC 6 there would be no Forever Family.

Once again, thank you for allowing me to write in support of the merger between NBC and Comcast. I cannot say enough good things about the generosity of our local NBC O & O WTVJ and what this station's support has meant to our program.

If I can be of further assistance, please don't hesitate to contact me at 1-888-365-FAMILY.

Sincerely,

Gia Tutalo-Mote
